Final Destination: I-69;MI;Fremont

The performing company above certifies that there are safe and sufficient clearances throughout the route detailed above including turns at all intersections and travel under all overhead structures. The gross vehicle weight as stated above does not exceed highway and/or structural weight postings on these proposed routes. The survey has been performed no earlier than 30 days prior to application being submitted to the department. County roads and city streets will be shown in (parentheses) for routing continuity; the applicant is responsible for obtaining authorization from the appropriate authority for the use of county roads and city streets prior to movement.

Authorized Signature of Survey Company: \_\_\_\_\_ Phone Number: \_\_\_\_\_

Fax all required documents pertaining to the permit number above to (317) 615 - 7241.
